

Safety recommendations in 2020 with other States

ID EMCIP 2019/005481	SYN ZANIA - n. IMO 9346938 FIRE ON BOARD
---------------------------------	---

The Ship Owner / Manager are recommended

29/07-20	To circulate this Safety Investigation Report throughout the fleet in order to draw the crewmember's attention.
30/07-20	To take efficient actions in order to ensure active participation to abandonment drills according to the Safety Management System.
31/07-20	To take actions in order to ensure efficient continuous tank level monitoring according to the Vessel/Company Safety Management System under respective lines of "Loading Procedures" and/or to integrate an early alerting mechanism for rapid pressure changes.

The Terminal is recommended

32/07-20	To take actions in order to ensure efficient monitoring of the transfer process and line pressure included in the "Transfer Instruction".
